Rules for the Prelim Round

Rules (1 of 3) – Questions

1. There are a total of **35 questions**
2. Questions are combination of texts, visuals, audio and video
3. Based on the level of difficulty, questions can carry **10, 15 or 20 points**
4. Quiz Master (QM) will project on the Zoom screen and read out one question at a time – teams will have **45-60 secs** to answer, depending on the level of difficulty
5. After 45-60 secs, QM will move to the next question and **will not go back** to any of the previous questions
6. The quiz will end **a minute after the last (35th) question** is read out

The Quiz will be conducted LIVE over Zoom but answers need to be written using Google Form. GAABESU will give access to the Google Form only to the **Team Captains** before Dec 19

Rules (2 of 3) – Answers and Scoring

7. Team Captain has already been provided access to a blank Google Form which has 35 rows to type all answers
8. Only the Team Captain can type the answers
9. The Google Form will time out right after the Quiz is closed and the teams cannot edit their answers any more
10. There is NO negative marks – so, GUESS smartly!
11. Teams do not have to worry about typos, mis-spelling and incomplete sentences, etc. Each form will be scored by hand
12. QMs will receive the Google Forms immediately and complete the scoring
13. Top 8 teams will advance to Finals on December 26, Saturday, 8 pm IST

No Googling, Please!

Rules (3 of 3) – Breaking Ties

In the event of ties, following rules, in the order below, will be applied to break the tie :

- a) Highest number of questions answered correctly
- b) Highest number of questions carrying 20 marks answered correctly
- c) Highest number of questions with visual clues answered correctly

If there is still a tie, team from the senior batch will move to the Finals

No Googling, Please!
